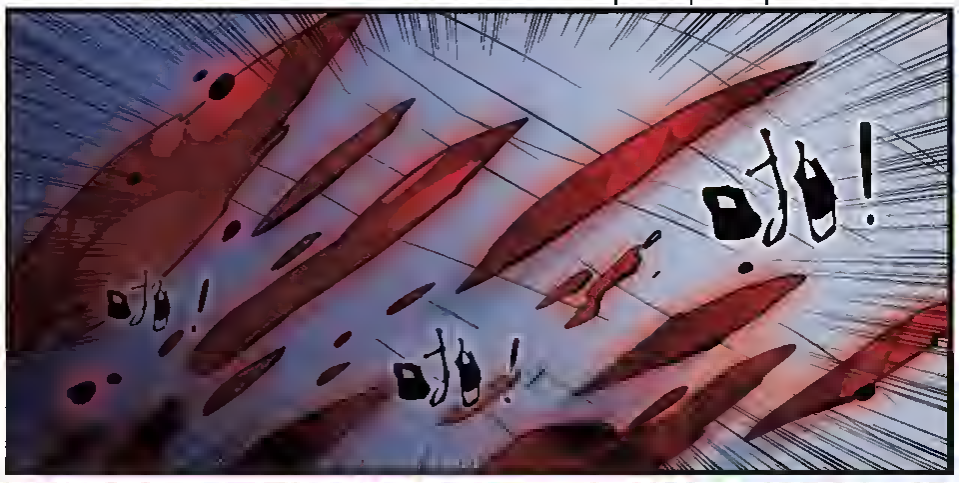
踉

You actually followed me all here, you filthy things.
However, I should thank you guys.....

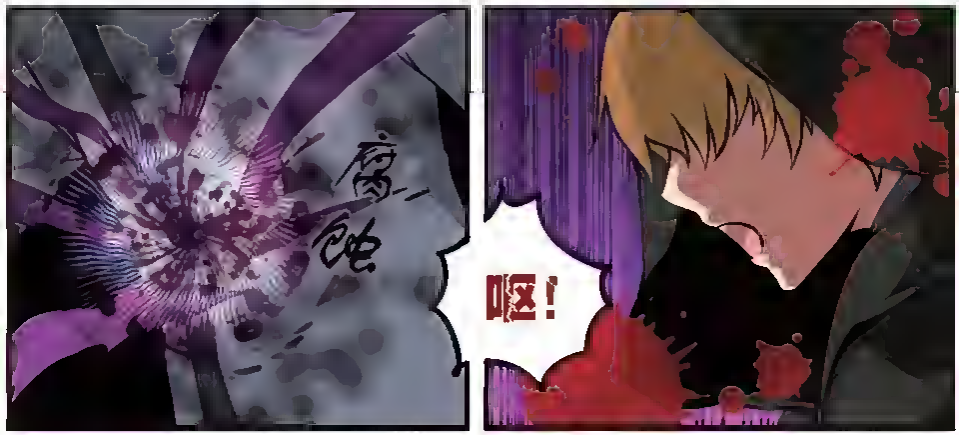
Because of your appearance, it allowed me to successfully leave-------
From here on, no matter where I am and what I do..... no one would know.

Then, the opponent that I'm going to use this power for the first time on.....would be you guys.
Shatter.

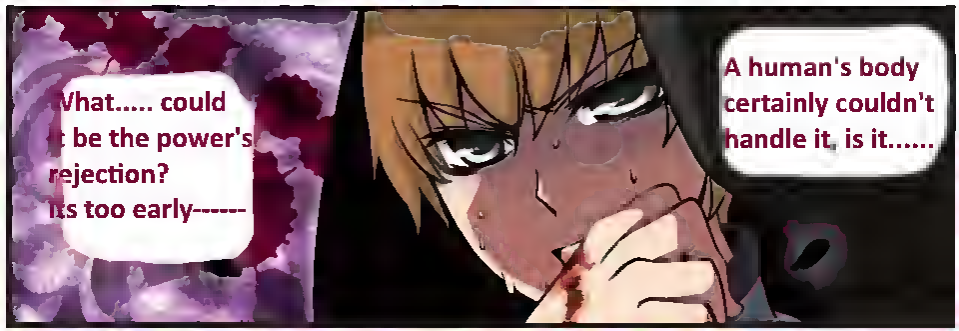
Bottom sfx: Splat! Splat! Splat!



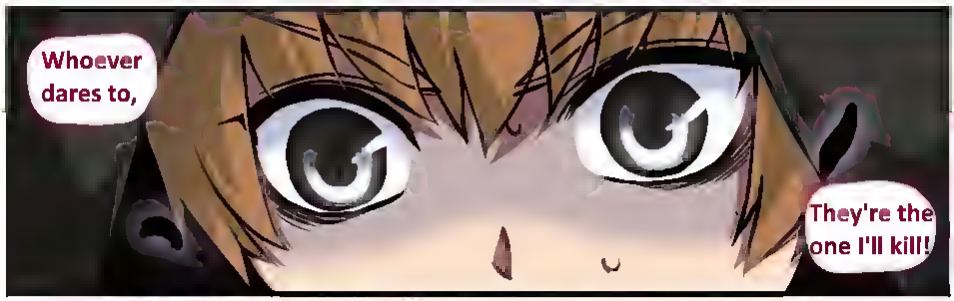
This is.....
The demon's power.....
This is------
My own power!!



TI note: The red text is just the sound he made as he coughed out the blood.



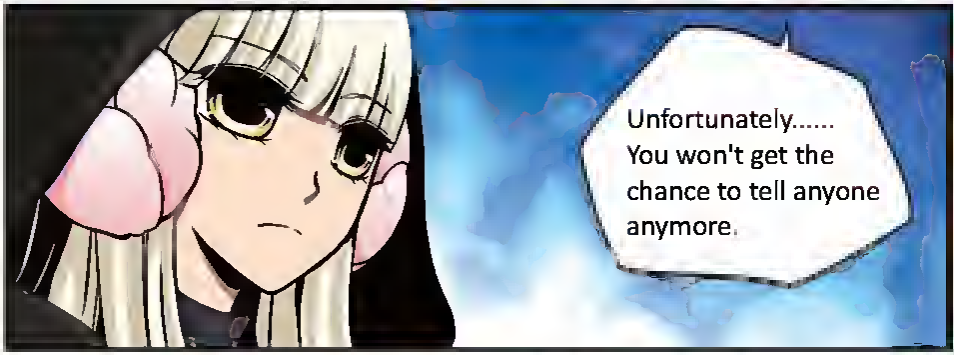
No.....It's still not enough.....I won't give up now.
This power belongs to me..... Definitely won't let anyone take it away.
It's my power..... Mine.....



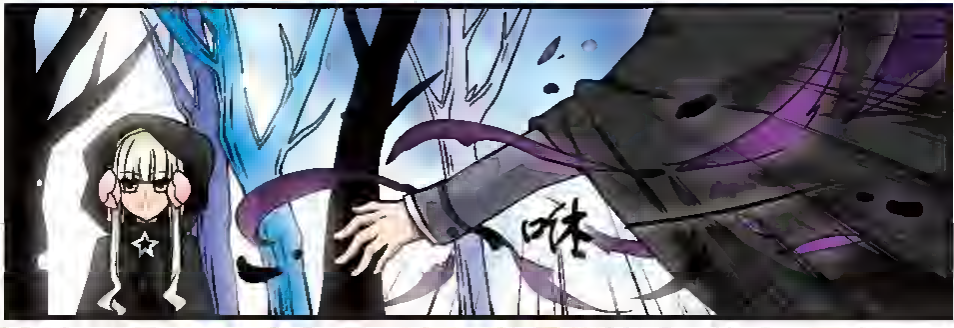
Sfx: Sha, Sha, Sha, Sha (Rustling sounds)

Ah, Ah.....
So it was you again.

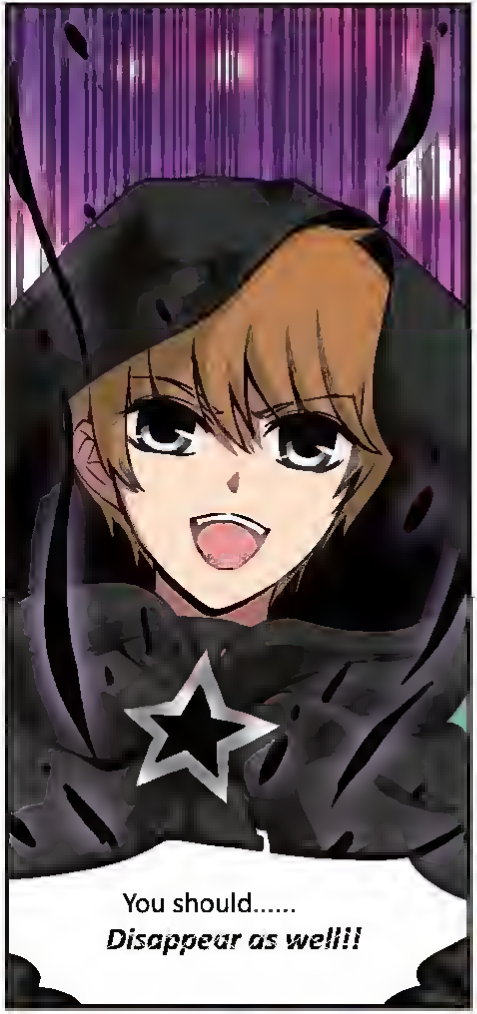
I already would warned you, to stop following me.
Now you know, why there's a "monster's scent" on my body.

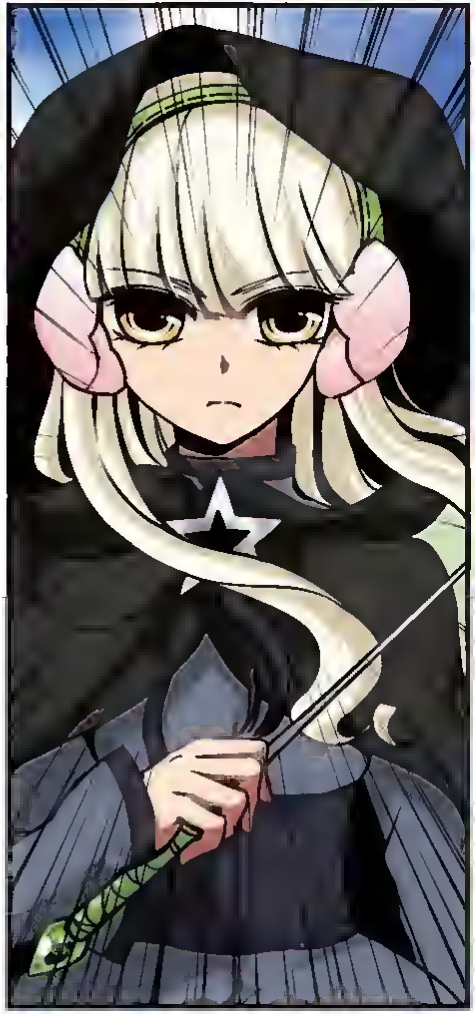


Unfortunately..... You won't get the chance to tell anyone anymore.

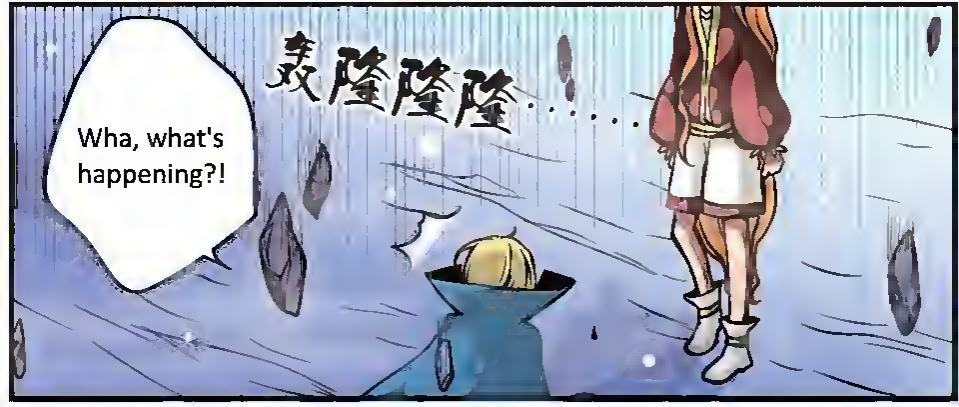


咻

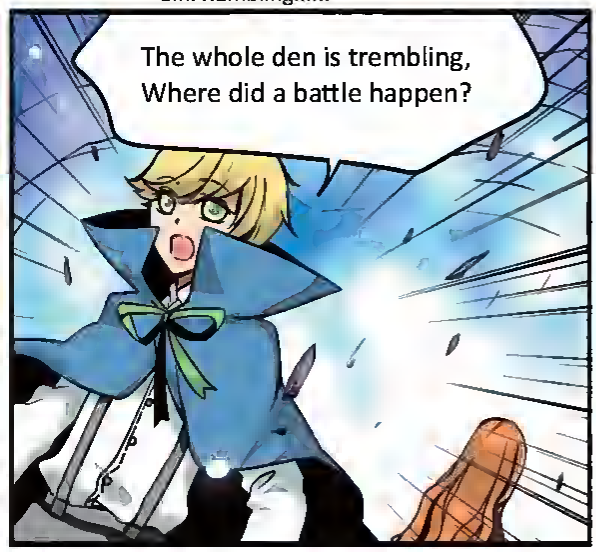


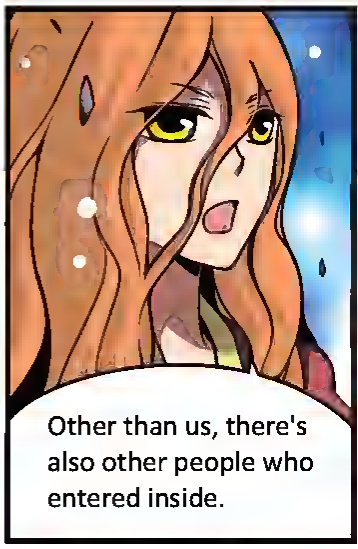


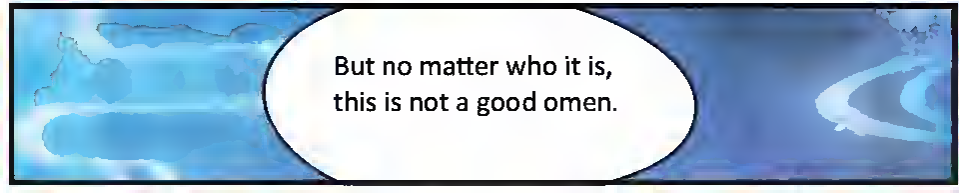
Sfx. BOOM!!



Sfx: Rumbling……







Cough!
Cough! Cough!

Translator's Note:

Hey, I just wanted to mention it to those reading on sites other than the ones shown above, about the issue of chapter 61.

Due to a slight mistake, it was missing two pages when I first uploaded it. I later reuploaded the fixed chapter, but however other sites did not.

So for those wanting to check out the fixed chapter 61, just go ahead to either my blog or bato.to to read it.

Thanks, that's all I wanted to say.
